NWT Recreation and Parks Association

Elders in Motion

Elders in Motion is a made-in-the-NWT program that provides training and support for community groups interested in developing recreation programs for elders. The goals of Elders in Motion are to improve access to physical activity opportunities and increase or maintain the independence and functional mobility of NWT elders. This program includes training and support to start and maintain a community-based program for elders.

Get Active Grants

Get Active funds events that get people physically active in the NWT. For Winter Get Active grants, organizations are encouraged to apply for \$750 (for community events) or \$1000 (for elder events) to organize and deliver three community-oriented physical activity events. The application period is from early September to early October and all events must be completed before mid-March. For June Get Active grants, organizations are encouraged to apply for \$400 (for community event) or \$500 (for elder event) to organize and deliver one community-oriented physical activity event in the month of June. The application period starts beginning of May and ends at the end of May. All events must be held in the month of June during June is Recreation and Parks Month (JRPM)

Recipients can use the grant for purchasing or renting equipment, event promotion and advertising, rental space, instructor fees, and providing healthy snacks. All events must be free for participants and open to the public. Get Active is funded by the GNWT.

Contact: Tim Van Dam (867) 669-8377 or tvandam@nwtrpa.org

Activate NT

Activate NT supports youth across the Northwest Territories to design and lead recreation and community-based projects. Through \$5,000 grants, training, and mentorship, youth are empowered to bring their ideas to life while building leadership skills, confidence, and community connections. Projects can include sports, arts, cultural activities, and other initiatives that promote active and healthy lifestyles. Activate NT aims to reduce barriers to participation and create inclusive opportunities for youth to get involved in their communities.

Contact: Adam Woogh (867) 669-6791 or awoogh@nwtrpa.org

Youth Employment Experience Program

The NWTRPA is working with the Canadian Parks and Recreation Association (CPRA) to deliver Government of Canada funding to support job placements for youth in recreation, particularly those facing barriers to employment. The CPRA Youth Employment Experience program provides direct financial support to local governments and community-oriented non-profits to hire youth (via 100% wage subsidies) and to pair them with a mentor who can support them throughout their placement (via \$4000 wage subsidies).

NWT On the Land Collaborative

On the Land Program Funding and other supports

The NWT On the Land Collaborative brings together government, charitable, corporate, and other partners to combine efforts and make it easier for communities in the Northwest Territories to access money and resources for land-based projects. The Collaborative supports projects that: get people out on the land; connect community members to their land, culture, and traditions; build or strengthen partnerships; enhance community capacity; and are sustainable. Applications are accepted once per year in the fall.

Learn more about the Collaborative and funding opportunities at: nwtontheland.ca

Indigenous Sports Circle

The Indigenous Sport Circle of the Northwest Territories supports communities, organizations, and Territorial Sport Organizations in strengthening sport, recreation, and cultural programming across the NWT. Through programs such as the Indigenous Coaching Development Program and the Community Development Program, ISCNWT helps build capacity by supporting the recruitment, training, mentorship, and development of Indigenous coaches and leaders.

Funding may be available to support workshops, community initiatives, local sport development, and programming that increases participation and reduces barriers for Indigenous youth and communities.

Visit <https://www.iscnwt.ca/funding> for more information or to apply.

Mackenzie Recreation Association

The MRA is pleased to provide funding for regional or community recreation events and professional development opportunities. The purpose is to support quality recreation services within the MRA region, increase opportunities for community members of all ages, and build capacity within the communities.

Visit www.mranwt.ca/funding-overview for more information or to apply.

Sport North Federation

KidSport™

KidSport™ believes that no kid should be left on the sidelines and all should be given the opportunity to experience the positive benefits of organized sport. KidSport™ provides support to children in order to remove financial barriers that prevent them from playing organized sport.

Grants up to \$500.00 are available per child (18 years old and younger) per year and can be used to assist with sport registration fees and equipment. The maximum annual family income varies depending on the region of residency and the number of children living at home. Applications are accepted throughout the year.

Contact: Tyler Rentmeister, (867) 669-8378 or tylerrent@sportnorth.com

High Performance Athlete Grant

Sport North and the Department of Municipal & Community Affairs (GNWT) have teamed up provide financial support to high performance athletes from the NWT for sport training, equipment, and other eligible expenses. Athletes who meet the program criteria may be eligible to receive support under three funding categories.

Contact: Bill Othmer, (867) 669-8336 or bothmer@sportnorth.com

Rising Star

Sport North Federation Rising Star Guidelines

The Rising Star program is intended to provide athletes with financial assistance to participate in sport.

OPTION 1 - PROGRAM REGISTRATION FEES

- Open to athletes participating in a program which meets the guidelines of the FUNdamentals stage in the Long-Term Development Guidelines. Target age: boys approximately 6-9 years, and girls approximately 6-8 years old.
- Only program registration fees will be covered under this option. Sport North reserves the right to cap the total amount of funding per applicant. The sport program must be in the NWT.
- Recipients of this funding will be required to provide a letter from the sport confirming your registration in the program.

OPTION 2 - CAMP REGISTRATION FEES

- Open to athletes participating in a camp which meets the guidelines of the Train-to-Train stage in the Long-Term Development Guidelines. Target age: males from approximately 12-16 and females from approximately 11-15 years of age.
- A portion of registration fees, transportation and accommodations may be covered through this program.
- Recipients of this funding will be required to submit an Athlete Report once the camp is completed.

OPTION 3 - TERRITORIAL SPORT ORGANIZATION (TSO) CAMP GRANT

- Open to all TSOs in good standing with Sport North Federation.
- Funding is to assist in organizing and delivering camps that require specialized support. Funding can be used to bring in coaches, trainers, or subject matter specialist/technical support.

Sport and Recreation Funding Recreation and Sport Contribution Program

The Recreation and Sport Contributions Program provides financial assistance to community governments and territorial and regional recreation and sport organizations to provide recreation and sport programs and services to residents and members.

Contact: sport_and_recreation@gov.nt.ca for more information.

Regional Youth Sport Events (RYSE)

The Regional Youth Sport Events Program provides financial support to sport and recreation organizations and school authorities to organize and host regional youth sports events. The intent of the program is to strengthen local programming, support athletes and coaches in smaller communities, and to improve youth participation in physical activity.

Contact: sport_and_recreation@gov.nt.ca for more information.

After School Physical Activity Program

Funding is provided to schools to build on existing programs or create new physical activities for school-aged children and youth during the after-school time period with a strong focus on engaging currently inactive or underactive youth. Children and youth who are already highly active are encouraged to participate in after-school activities as youth leaders and peer-to-peer role models.

Contact: sport_and_recreation@gov.nt.ca for more information.

Local Sport Leaders Program

The Local Sport Leader Program is used to build the capacity of our communities in sport and coaching by funding initiatives aimed at developing local sport leaders through partnerships with Territorial Sport Organizations and community organizations.

Contact: sport_and_recreation@gov.nt.ca for more information.

Youth Funding Youth Contributions

The Youth Contribution Program supports initiatives that promote positive lifestyles and improve the quality of life and well-being of youth in their communities. This program has been used to support youth to travel to youth conferences and to engage in various learning opportunities, other than sporting events.

Contact: youth_and_volunteer@gov.nt.ca for more information.

Youth Centres Initiative Program

The Department provides financial support to assist with the operating costs of youth centres or other community based facilities that provide youth with positive and healthy lifestyle programs.

Contact: youth_and_volunteer@gov.nt.ca for more information.

Youth Corps Program

The NWT Youth Corps Program is designed to assist youth serving organizations with programs that offer a structured and varied program of outdoor/cultural/environmental, educational, work, life, and personal growth experiences that challenge, engage, reward, and recognize youth.

The programs must be designed to improve the outlook and opportunities for youth and help them choose to become healthy, educated people who are able to make responsible personal choices.

Contact: youth_and_volunteer@gov.nt.ca for more information.

Children and Youth Resiliency Program

The Children and Youth Resiliency Program provides financial support to assist community governments, school authorities, and youth serving organizations to establish and expand children and youth programming that supports the development of physical literacy and builds resilience. The intent of the program is to encourage a physically and mentally healthy lifestyle for children and youth.

Volunteer Funding

Volunteer Organization Development Contributions

Volunteer organizations rely on skilled volunteers and staff to manage their organizations. MACA supports building the capacity of the voluntary sector by providing funding to volunteer organizations and volunteers for organization development and training.

Contact: youth_and_volunteer@gov.nt.ca for more information.

Volunteer Recognition Funding

The Volunteer Recognition Policy allows community governments to promote and encourage community volunteerism through planned community recognition events. Community governments can apply annually for contributions up to one thousand dollars (\$1000) per year for eligible costs related to hosting community recognition events.

Contact: youth_and_volunteer@gov.nt.ca for more information.

NGO Stabilization Fund

The NGO Stabilization Fund provides special funding to non-governmental organizations (NGO) who deliver critical GNWT funded programs or services to the public, to stabilize or develop their capacity to manage programs and services. Grants to stabilize with management, governance, organizational development and extraordinary operational costs may be eligible.

Contact: youth_and_volunteer@gov.nt.ca for more information.

NWT Outstanding Volunteer Awards

Each year MACA recognizes the outstanding contribution volunteers make to their communities through the Outstanding Volunteer Awards Program. Nominations are accepted throughout the year in the following categories:

- Outstanding Elder
- Outstanding Individual
- Outstanding Youth
- Outstanding Group

Contact: youth_and_volunteer@gov.nt.ca for more information.

Partnership Funding

High Performance Athlete Grant

The High Performance Athlete Grant Program provides funding for high performance athletes from the NWT to assist with costs associated with training and competing in their respective sport outside the NWT for their respective sport season. The funding level for each recipient is based on athletic achievement and recognition at the national or international level.

As role models for healthy, active living, recipients are asked to participate in various department and GNWT healthy choices initiatives that build self-esteem, promote health and develop community pride. Sport North Federation and the department jointly review all applications.

Contact: sport_and_recreation@gov.nt.ca for more information.

Take a Kid Trapping and Harvesting

In partnership with the Department of Environment and Climate Change and MACA, this funding program is designed to introduce school age youth in the Northwest Territories to the traditional harvesting practices of hunting, trapping, fishing and outdoor survival.

Contact: youth_and_volunteer@gov.nt.ca for more information

Community Canoe Support Program

The Aboriginal Sports Circle NWT Community Canoe Development Pathway Program provides grants to help offset the cost of competition-style canoe races for communities in the Northwest Territories.

The purpose of this funding is to assist organizations in undertaking Sprint and Marathon Style Canoe Races and to provide support for the development and growth of athletes to pursue Canoe Racing. This funding may also be used to host major Canoe competitions or Canoe Championships in the NWT.
